DDRSA 60TH ANNIVERSARY YEAR

Notes:

FORUM DISCUSSION - 11am

- 2022-2023 Calendar p.72
- Development activities in the region - an increase from last year, discussion re venues and availability of pools and coaches, etc. Add a distance clinic at Dalby.
- Clinics - Add to the clinics from last year to further the program that has already been established.
- Coaches involvement - Shannon asked for all coaches to be involved where possible as the knowledge and skill that is available across multiple clubs is invaluable for not only athletes, but development coaches as well.
- Officials development - we need more officials in the region and ask that clubs assist with training of club members as officials for the upcoming season - Garry and Shannon available to assist
- New Website - seek clarification from SQ and source a platform that is user friendly
- Forms to be sent to clubs re hosting of events and clinics for quotes of venue hire, equipment needed, etc
- General discussion of plans for the season, funding application opportunities and grants to be acquitted.

## **Presidents Report**

It is with great pleasure that I present the annual report on the activities held in the region during the 2022/2023 season. It has been another busy season. The members of the Management Committee have been working hard with members of various Subcommittees and a whole range of technical, professional and voluntary providers to implement the programs for the 2022/2023 season. We are now planning for the upcoming season to continue to take the region forward.

### **Development**

This season, DDRSA would like to thank Shannon Armbruster and Troy Chandler for their continuing work with our stand-alone Programme of regional development

The ongoing implementation of the DDRSA Development calendar and activities saw an increase in participation numbers for these events, particularly the Roma Development weekend.. The Sunday following the Country Championships was set aside for the Country development clinic. This year Dalby was the venue for the clinic.

### **Regional Events**

#### ***2022 McDonalds Winter Short Course***

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank The Glennie Aquatic Center and The Glennie Swimming Club for the support in enabling the DDRSA to host the Winter Short Course in July 2022. The DDRSA Short Course Champions were selected from this meet, with excellent results from many clubs.

#### ***2022 Toowoomba Open***

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba Clubs and Milne Bay Aquatic Centre, these meets ran efficiently. Thank you to Troy Chandler and the team of Volunteers for their hard work allowing this event to go ahead.

#### ***2023 Country Championships***

The Country Championships, which was hosted by the Dalby Swimming Club, was facilitated at an excellent standard and well supported. This meet was well supported by Country clubs. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country technical officials who supported this meet.

#### ***2023 McDonalds Regional Long Course***

The Regional Championships was held in Toowoomba with the support of all the Toowoomba Clubs and the Milne Bay Aquatic Centre. Thank you to all clubs, coaches, managers and Volunteers for their support to make this event possible.

### **Presentation Night**

The Presentation Night was held at the City Golf Club in March 2023. This was a new venue that we were utilising to facilitate the 60th Anniversary of the Darling Downs Regional Swimming Association and we were able to extend invitations to past and current members to maximise numbers attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. Our guest speakers were a panel consisting of Gail Smail, Darren Lange, Lindsay Clyde and Jason Cooper. Thank you to our panel for contributing their excellent knowledge and experiences as athletes, coaches and mentors to young swimmers.

### **Regional Teams**

#### ***Patrons Shield***

The Patrons Shield was hosted by The Gold Coast Swimming Association last year in September 2022 with teams from Darling Downs, Brisbane, Wide Bay and Gold Coast attending. The region was represented by 50 swimmers on the day. Thank you to all the teams for an enjoyable day and congratulations to Brisbane as winners for this year.

#### ***State Relays***

Once again, two teams of swimmers were selected to swim for Darling Downs at this season's State Relays. Congratulations to all the swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers and coaches for the selection and organisation of the relay teams. Congratulations to the 13-14 Years Girls A team (Medley - Gold) and the 15&O Years Girls A team (Freestyle - Bronze, Medley - Bronze) on their medals in the Regional Relays.

#### ***Roma Development Team***

As a part of our Development calendar, we selected a team of 30 swimmers to attend the Roma Open on Saturday 26th November, 2022. We then had a development clinic the next day with Olympic athlete Cassie Wild (GB and Scotland Swimming) and Commonwealth Games Athlete Ben Armbruster and his fellow Bond University swimmers Riley Maher and Isabelle Mason assisting with the development clinics with DDRSA Coaches Troy Chandler and Dan Eagleson. The clinic and teams challenge on Sunday was highly successful, engaging with 20 clubs and approximately 100 swimmers at the clinic.

### **The Future**

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The interactions between the club and the coaches are continuing to

evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2023-2024 season.

**Major Sponsor McDonalds' Family Restaurants**

The DDRSA takes this opportunity to thank McDonalds' Family Restaurants for their generous support in this region. The activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

**Thank You**

A thank you must go to Swimming Queensland CEO Kevin Hasemann and the Swimming Queensland staff, along with DDRSA members who are working continuously to help in the development of swimming across the region.

I would also like to thank the Management Committee of, Shannon Armbruster, Troy Chandler and Paul Maher who have worked hard for another successful season.

Thankyou also to Bob Wharton, Gail Smail and Gary Shorter for their contributions to our Region over many years of service and we wish Gail and Gary all the best as they reduce their coaching workloads over the coming months.

Thank you to Garry Gibson and Shannon Armbruster, Chairpersons of the Technical Subcommittee, and all the technical officials who have volunteered their time to the swimming community. For without volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start without them.

## **2023 DDRSA Registrar Report**

The 2022/23 season report is given with some not so good news. We have decreased our total registrations by 270. The DDRSA finished the season with 2284 total members across all types, with increase in 8 and under from 627 to 663 and a decrease in 9 and over from 961 to 837. In the 22/23 season we had 30 registered club, spread out over approx. 415000km<sup>2</sup>. I again remind clubs that anyone holding or wishing to hold a position on a club committee HAS TO BE A CURRENT MEMBER.

## **Finance Subcommittee Report**

*Attached is the Audit Report from the 2022 – 2023 Season.*

It was great to see meets and competition returning to normal following a couple of years affected by COVID. The impact of COVID over the last two seasons has impacted the DDRSA's financial position and in season 2022/23 it is pleasing to see the return to unrestricted competition, and the impact that has for nominations and delivery of development activities.

The DDRSA welcomed the receipt of grant income from RACQ which has been directed solely to development activities for regional swimmers and coaches. The income from this grant provided a significant improvement to the overall financial position.

Key items from the 2022-23 season in relation to budget expectations include:

- Income from club affiliation and swimmer registrations was \$19,584, up by \$1,906 from the 2021-22 season;
- Income from McDonalds sponsorship provided \$3,500 in line with Budget;
- Income from Regional Association held meets and Presentation event was ahead of Budget – although some related costs came in after the 31<sup>st</sup> March 2023;
- Development & Team event costs exceeded Budget – however this was offset by the receipt of the RACQ grant funds. The development activities included the continuation of the Roma Development trip and the provision of development for regional coaches to attend the ASCTA conference.
- Funds received from the RACQ grant have been fully accounted for and surplus funds have been reserved to continue the investment in regional development activities into the 2023-24 season.

The Association remains in a solid financial position for the 2022 – 2023 season, with a strong bank balance.

The Association is continuing to investigate sponsorship and grant funding opportunities in the effort to continue to improve the facilities and functionality of the regional events to support the continued growth and development of our swimmers.

### Financial Statements period ending 31<sup>st</sup> March 2023

Examination of the Association's Balance Sheet from 1<sup>st</sup> April 2022 to the 31<sup>st</sup> March 2023 revealed that the Association at that date had a balance of \$69,538.88 – an increase of 10,418, reflective of the surplus achieved in the 2022-2023 season of \$27,882.14.

Specific items relating to the audit as advised by the Associations appointed auditor (Betts & Associates), were:

Aged unrepresented cheques – a number of aged cheques are still showing in the accounting software as unrepresented following the changeover in systems. These do not have any impact on the financial reporting, however it is recommended to remove these as a matter of tidying up the software.

The Finance Subcommittee will action all necessary procedure changes to address the identified items.

### Financial Statements period ending 31<sup>st</sup> March 2021

Examination of the Association's Balance Sheet from 1<sup>st</sup> April 2021 to the 31<sup>st</sup> March 2022 revealed that the Association at that date had a balance of \$59,615.04, reflecting the surplus achieved in the 2021-2022 season of \$3,178.67.

Specific items relating to the audit as advised by the Associations appointed auditor (Betts & Associates), were:

Not all payments – including one-off payments for prizes - had sufficient supporting documentation.

The Finance Subcommittee will action all necessary procedure changes to address the identified items.

### Sponsorship

The Association received \$3,500 in cash from McDonalds for the 2021-22 season. The sponsorship from McDonalds will only remain in place for one more season (2022-23 season), with the cash component continuing to be \$3,500. The Association continues to investigate suitable sponsorship and grant funding opportunities to support the association in covering costs.

### Term Deposits

At present the Association has no terms deposits, and the Finance Subcommittee does not propose to enter into any term deposits during the 2022-23 season.

### 2023-24 Season Budget

The Association budget outline for the 2023-2024 season is provided for review and comment.

### 2022-23 Season Fees

The Finance Subcommittee proposes minor increases to the affiliation and membership fees for the 2023-24 season.

The proposed fees are:

Club Affiliation	- \$115.00	– an increase of \$5.00   4.5%
Competitive Membership 9 and over	- \$10.50	– an increase of \$0.50   5.0%
Recreational Membership 9 and over	- \$10.50	– an increase of \$0.50   5.0%
Membership 8 and under	- \$7.50	– an increase of \$0.50   7.1%

These increases still have the Darling Downs the lowest priced fees when compared with all other Swimming Queensland regions.

### Appointment of Auditor

The Finance Subcommittee proposes to retain Betts & Associates as the Association's auditor for the 2023-2024 season.

**Notes to the Financial Statements  
For the year ended 31 March 2023**

2023

2022

**Note 1: Summary of Significant Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**(a) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

**(b) Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where appropriate, any accumulated depreciation.

The amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

**(c) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

**(d) Trade and Other Payables**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**(e) Income Tax Expense**

The association is exempt from Income Tax under Sec. 50-45 of the Income Tax Assessment Act 1997.

These statements should be read in conjunction with the attached audit report of Betts & Associates Pty Ltd.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Darling Downs Regional Swimming Association Inc.

### **Qualified Opinion**

We have audited the financial report of Darling Downs Regional Swimming Association Inc., which comprises the balance sheet as at 31 March 2023, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and as statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 31 March 2023, and its financial performance for the year then ended in accordance with the Associations Incorporation Act 1981.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of matter – basis of accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Darling Downs Regional Swimming Association Inc. to meet the requirements of the Associations Incorporation Act 1981. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### **Responsibilities of management and those charged with governance for the financial report**

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

### **Auditor's responsibilities for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole, is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Accounting Standards, we exercise professional judgement and maintain professional scepticism through the audit.

We also:

- Identify and assesses the risks of material misstatement of the financial report, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of those charged with governance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we auditor concludes that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Technical Committee Report 2022/2023

Another season of swimming has passed. As Chairman of the Technical Committee for the Darling Downs Regional Swimming Association, I would like to express my sincere thanks to everyone who has volunteered their time to the swimming community. It was great to see another increase of pool deck officials furthering their qualifications. The volunteers make the running of every swim meet achievable and successful. Without the volunteers whether it is timekeeping, marshalling, check starting or as a Technical Official, any swim meet cannot run smoothly. I truly hope that the Darling Downs Region continues to have success and grow with our continued dedication to the sport of swimming.

I would like to congratulate those officials who attended or were appointed to the following National and State events:

**Age Nationals** – Garry Gibson, Paul Maher

**Queensland State Championships** – Garry Gibson, Chris Gilbert, Paul Maher

**Queensland Short Course Championships** – Garry Gibson, Paul Maher, Chris Gilbert

**Queensland Sprint Championships** – Garry Gibson, Shannon Armbruster, Paul Maher, Chris Gilbert

Please keep up the good work as an official and encourage others to join our ranks as we have the best seat in the house to watch the swimming from a local junior to a world champion.

Garry Gibson

## **McDonalds Darling Downs Regional Short Course Championships**

### **31st July, 2022**

The 2022 DDRSA Regional Short Course Championships was hosted by The Glennie Swimming Club at the Glennie Aquatic Centre.

This meet was well attended by clubs, with exceptional racing on display from swimmers on the day. A big thank you to clubs, coaches, parents and athletes for their ongoing support with regards to this Championships event.

Thanks also to the DDRSA Technical Officials who attended this meet and those parents that are beginning their technical official journey for taking part in pool deck mentoring.

Congratulations to The Glennie Club for being named Champion Club of the Meet, as well as those swimmers who broke records, achieved personal bests and supported their team mates in what was a fantastic day.

## SWIMCON 22

SwimCon 22 held on the wonderful Gold Coast, in the mighty QLD, presented an opportunity for The Darling Downs Regional Swimming Association to give a number of coaches the chance to attend. The region was successful in gaining an RACQ grant for the funding for this fantastic educational experience. The Darling Downs region covers the southern inland section of Queensland reaching from Gatton in the east to Quilpie in the west, Taroom in the north to Stanthorpe in the south and everything in between, an area of approx. 415000 km<sup>2</sup>.

I had the chance to attend the 3 days of SwimCon and gained a great number of skills, drills and thought changing moments. For me the most rewarding thing to come from this conference was the increase in motivation and the belief that what I am doing in my home program at Turbo Jets in Toowoomba is in fact on the right track! I know that seems weird, but to have your coaching methods and systems reinforced was empowering. To chat with like minded coaches in the industry and to hear from the wonderful guest speaker list is priceless.

The panel on Monday had everything! SCTA did a great job in providing speakers that covered all angles of our sport. The four corners programme on Tuesday delivered fantastic drills and skills to take home to help our swimmers. As a program we have now linked with Swimnastics, an improvement for our club that would not have come about if not for the conference. I am grateful to the DDRSA for the chance to attend and look forward to swim con 23.

Troy Chandler  
Coach - Turbo Jets swim club, Toowoomba.

**Dan Eagleson, from the Glennie Swim Club, attended 3 days of the conference.**

*“As a coach, SwimCon 2022 provided a great opportunity to mix with the best of the best when it comes to Australian swimming. The courses, lectures and development opportunities enable you to learn, develop and incorporate ideas and best practices into your own programme.*

*Being able to mingle and pick the brains of like-minded people only helps improve you as a coach and improve the programmes you deliver to your swimmers. The attendance of keynote speakers who share the journey of their swimmers to reach the pinnacle of the swimming world is information you will only get at these events.*

*This was an ideal time to meet up with other coaches within the DDRSA region and share ideas and map a way forward for swimming on the Darling Downs. I would like to thank the DDRSA for their generous support of the swim coaches in this region and look forward to giving back to the development of swimming within our region.*

*I would highly recommend that if you want to improve as a coach, gain some new and fresh ideas, then attending an event like this will be a huge benefit in your coaching journey.”*

Hayley Collins, from Fairholme Swim Club, had just the one day however was very impressed:

**“Lisa McInnes Smith (best presenter of the day)**

*It's all about behaviour; your body position, a simple smile, and a nod to encourage the athletes in the water. Making sure it's not all negative feedback but constructive feedback and start it with the body language – try to be the Role Model. Let the swimmers know that it's okay to fail and use the quote: ‘No Train, No Pain, No Gain’.*

### **Performance Pathways**

*The discussed the pathways of Swimming Australia, but it got me thinking about:  
What pathways do we have with in the Club?*

- *What pathways do we have for the School Students?*
- *What do you offer in the Short Course Season for School Students?*
- *Should we make the pathways of the Club more public, and should we include standards and the coaches' expectations? Would this encourage other swimmers?*
- *Within the Squad, the swimmers should know the expectations and rules, should these be displayed?*
- *What are the pathways for the DDRSA? Is there something for all ages? Do we as a region encourage the over 18 to stay or to move through to Bris?*

*What are the strengths and opportunities within the Regional and Club? As a club do, we need to do more recognition (more on social members)?*

*Now the hard part, finding all the answers for these questions.*

### **Improving your coaching performance**

*Outlining what Coaches do, and then what the great coaches do. Thirst for knowledge, reinforcing, Build relationships and guide learning.*

*Making sure as a coach you know your philosophy; Purpose your why, coaching style your How and values your ideals.*

*Outlining the area that we need to improve ourselves as coaches in Culture, Craft, Self and Your People.*

*Who is in your network and who would you like to be in that network? Have a goal to contact those people within end of day.*

### **Creating Success in the team**

*Attitude, Accountability and Respect are needed with Expectations and standards. Outline the non-negotiables standards.*

*Never assume always ask.*

### **Swimnastics**

*Take it all back to the basics. Don't move on until they have mastered it.'*

**Michael Wise, Head Coach from Fairholme Swim club, was an attendee for 3 days of the conference and also did a performance session on Day 1.**

*"I would like to thank the DDRSA for their funding for me to be able to attend the recent SwimCon22 on the Gold Coast. I attended the conference over 3 days (Sat,Sun,Mon) and found in very good.*

*On the Friday I attended the Biomechanics of swimming run by the QAS staff and found this as one of the best presentations I have ever attended. The staff from the QAS explained the material and made us do practical exercises so that we understood it better. The videos they used over different swimmers allowed us to see the difference in strokes used by the elite swimmers but all the focus came back to the same fundamentals of the body position in the water. This was reflected through all 4 strokes. It has allowed me to come back from the conference and do some more underwater footage of my swimmers to see where their stroke is breaking down so that I can develop better technique.*

*On The Saturday it was a general day with guest speakers and lectures. The first guest speaker of the morning was a motivational speaker who was very engaging. There were some great speakers talking about program setting and how to better plan your season.*

*On the Sunday was another general day with guest speakers and lectures. On the Sunday morning we were introduced to Swimnastics which is the combination of gymnastics and swimming, this was presented by an ex elite gymnast who now works with many different club to help develop their athletes and get them into better body positions in the water. During the presentation many of the things from Friday came to light within this lecture. If the athletes can't get into the correct position on land, how are they going to be able to do this in the water. After that the next lot of speakers were some of our Olympic coaches speaking about the process and development of some of their athletes that they have taken to Olympic gold. During these sessions the coaches were very open and gave out many ways to achieve success through different styles of session planning and seasonal planning. I found their different approach to different ways of achieving success very interesting as it reinforces the fact that everyone is different, and every athlete is different, and we need to treat them that way as all will develop at different rates.*

*I would again like to thank the DDRSA for the opportunity to attend the conference."*

**Naomi Ferre coach of Inglewood club attended the 3 days.**

*"Attending the SwimCon22 was of great benefit to me and my development as a coach. It offered great opportunity to Learn from some of the best Coaches both within Australia and the world. The biggest benefits for me (being a coach that is somewhat isolated majority of the time working on my own) came from gaining insights into the different programs they run and their philosophies in coaching. These benefits came not only from the coaches that were guest speakers at the event but also from time spent mingling with the other coaches in attendance.*

*Some of the keynote speakers provided information about programs such as Swimnastics which I found very interesting. This program is designed to develop the fundamentals of strength and conditioning training and is developed specifically for swimming programs.*

I also was very interested in the views and ideas of all the keynote speakers and took away with me an improved knowledge of the following:

- Speed development in young swimmers
- Developing backend and front end speed
- Technique development
- Drill and set ideas
- Relay changeovers

There was also a lot of information in regards to improving coaching performance which I found very useful in guiding self reflection of my own performance as a coach.

Unfortunately I was unable to attend the final day of the conference as my daughter fell ill and I needed to see to her well being. I was disappointed that I missed all the action on the pool deck that final day.

Overall I found the conference to be a fantastic opportunity to develop my coaching skills and improve my program with current proven ideas. SwimCon22 was such an inspiring and motivational event to attend. I believe that this conference provided opportunities for all the coaches in attendance from the darling down region to improve their own knowledge as coaches and make connections outside of our region. I personally have found that it has also built connections with many of the coaches within our region which I feel is a huge asset for the swimmers in the Darling Downs and the DDRSA.

I am truly thankful to DDRSA for giving me the opportunity to attend.”

Many thanks to the RACQ grant for funding this program, and to the DDRSA for allowing this to happen.

## **TOOWOOMBA OPEN 5th NOVEMBER 2022**

### **The Toowoomba Age Champions are selected from this meet**

The DDRSA would like to thank the officials who worked tirelessly to help run this meet for the up and coming swimming champions of the future. We as the Association would also like to thank the many members who contributed in some way to make this meet a success. Without these dedicated members/parents this meet would not run as smoothly as it does. Lastly, we would like to congratulate all the swimmers who participated in the Toowoomba Open.

## **Country Championships 21st – 22nd January 2023 Hosted by Dalby Swimming Club**

The DDRSA would like to thank all its members who helped make this another successful meet and in particular thanks must go to the Dalby swimming club and all of the attending DDRSA Officials.

The weather at Country Championships for 2023 was fine and despite the large number of participants, came close to completing the meet as per the timeline.

Congratulations also to the swimmers who broke records, swam PB's and tried their very hardest on what was a very long day of racing.

Again, without the support from the clubs and their membership, the DDRSA would not have been able to hold this meet.

The DDRSA considers this meet a major contributor to the continued development of swimming within our region and greatly appreciate the efforts of all clubs who attended to continue to support the country areas and smaller country clubs.

## **Long Course Championships**

### **4th - 5th March 2023**

The DDRSA would like to thank the Toowoomba Clubs for providing assistance with the 60<sup>th</sup> Darling Downs Regional Championships.

At this meet, 21 clubs were represented from all across the Darling Downs, with 291 athletes nominating for 1,646 individual entries over the weekend.

The Association would like to thank everyone for their understanding and helping to enable this meet to go ahead, in particular the club volunteers that assisted with setting up, packing away and assisting with the numerous roles throughout the weekend.

The weekend got off to a good start with the March past by the National Qualifiers and clubs represented with banners waving high. Again, the competition was fierce for the DDRSA March Past Trophy but congratulations go to the Roma Swimming Club on taking out the trophy this year.

The standard of swimming was very high again this season. This was evident with records being broken, including long standing records. Some of these records were not just broken, but smashed. On behalf of everyone from our region, I would like to express our appreciation to all our swimmers for their excellent performances and sportsmanship on the weekend and also extend our appreciation to their parents and coaches who were behind them every step of the way.

Finally, an enormous thank you to our officials, volunteers and our Sponsors – McDonalds Family Restaurants (major sponsor), Milne Bay Aquatic Centre and support from the Toowoomba Clubs because, for without this support these meets don't happen.

**Vice Captains:**

Holly Henderson (Fairholme), Tayla Boyes (Glennie), Ali Murray (TGSC), Mikayla Pellow (Fairholme) Clayton Sernes (Dalby), Cadel Hardgrave (TGSC), Max Taylor (Dalby), Thomas McKay (Glennie), Harrison Dangerfield (TGSC) and Aiden Brown (Allora).

Results -1<sup>st</sup> Swimming Brisbane Team 1, 2<sup>nd</sup> Swimming Brisbane Team 2, 3<sup>rd</sup> Swimming Gold Coast, 4<sup>th</sup> Wide Bay Swimming, 5<sup>th</sup> Darling Downs Region

Swimmers were presented with their shirt and cap and had photographs taken throughout the day. Many of the DDRSA swimmers posted personal best times, and all swimmers were congratulated on their performance by the coaches. No swimmer missed a race, thanks to the management team's efforts and organisation on the day.

Promotion of the Patron's Shield and information to parents was freely shared via the DDRSA Facebook page, and many updates and requests were sent directly to club contacts/coaches, which made the process very easy and open lines of communication proved to invaluable with very few swimmers withdrawing prior to the meet.

A huge thanks to clubs, coaches, parents and swimmers for supporting this important representative event on our calendar, as well as the management team for this year's Patrons Shield - your support is greatly appreciated.

## STATE REGIONAL RELAYS REPORT

The 2022 Darling Downs Regional Swimming Associations Regional Relay teams competed at the Chandler Aquatic Centre on Saturday, 10th December, 2022.

This year, we again entered two teams per eligible age group, totalling 76 selected athletes, with a fantastic response from swimmers and parents accepting positions into the team.

They were very keen to compete for the region, and all swimmers marshalled on time and no events were missed.

The swimmers representing this year had positive attitudes, wanted to achieve and were there for their team mates – true qualities of representative swimming and the DDRSA thanks those swimmers for making the day a fun and successful one for everyone who was there.

Thank you to all of the parents who were very supportive of the whole team, and were happy to help with making sure that swimmers were at marshalling on time!

**Managers:** Lisa Ford and Kristy Cameron

**Coaches:** Dan Eagleson and Michael Wise

## DDRSA Selection Criteria

The selection criteria for the 2023-2024 season are as follows:

### **State Regional Relays: 10th December 2023**

- A swimmer must swim at least one 50m event to be considered for the Relay Team and the selection of the teams follow the Qualifying meets on a weekend in November 2023. (The actual weekend to be TBC)
- The swimmers times will only be taken from 50m long course events.
- All meet results from July 2023 will be taken into consideration; however, the later meets will have a major bearing.
- Two teams (if applicable) will be selected per age division

### **Patrons Shield: Sunday 17th September 2023 - Wide Bay**

A team will be selected from the following events:

- The DDRSA SC meets (TBC: TGSC, Fairholme, DDRSA SC Champs)
- The SQ SC Prep meet
- Other meets that have been swum since the end of the 2022/2023 season may be taken into consideration with advice from a swimmer's current coach - ALL short course meet results from July 2023 will be taken into consideration; however the later meets will have a major bearing.

**2022 Patrons Shield Team hosted by Swimming Gold Coast  
at the Bond University Aquatic Centre**

## Development Report 2022-2023 Season

The DDRSA Committee worked extensively this season to continue to implement its own Development Plan for Regional swimmers, coaches and clubs.

We are very pleased with the success of the clinics that we were able to offer, however are looking forward to increasing the opportunities for our swimmers within the 2023/2024 Development calendar.

During the 2022/2023 Season, we were able to host:

- \* Stroke Clinics - (Freestyle, Backstroke, Breaststroke and Butterfly)
- \* Patrons Shield
- \* Roma Development Clinic
- \* Country Championships clinic
- \* JX Clinic
- \* YDS and Non-YDS Clinic
- \* Distance Clinic

To be able to offer so many diverse activities targeting nearly all levels of athlete development has been exciting, and the positive response that we have had post events has been fantastic. Thank you to all clubs, swimmers and parents for supporting our initiatives.

I would personally like to thank the coaches and clubs that gave their time (and centres) to support the region, as without their continued support, we would be unable to host these activities for our swimmers. It would be wonderful if more of the available coaches within the DDRSA engaged with these clinics throughout the season as we relied heavily upon a small group of coaches to run our advertised clinics.

Today, we celebrate the exceptional services to swimming by Mr Bob Wharton, OAM.

Bob started as a committee member and club house director at the Burleigh Heads, Mowbray Park Surf Life Saving Club around 1967. He was a member of the club from approximately 1965-1974 before starting as a swimming coach at Newtown State Primary School from 1980-1983.

Bob has been heavily involved in volunteering for over 60 years, and in 2018 was a volunteer at the Gold Coast Commonwealth Games.

Through the years, Bob has held many executive positions, including as a Past Vice-President, President and committee member of the old Gatton Services Club. He has also been a past President, delegate and official at Gatton Swimming Club starting in 1980. Bob was awarded Life Membership of the Gatton Club around 1999.

Bob holds his Level 2 Referee and Starter qualifications and has been a trainer and assessor for over 20 years, assisting a large number of officials gain their qualifications in a supportive and knowledgeable manner.

Within the Darling Downs, Bob has been a past Vice-President, Selector and in 2005 was awarded Life Membership for his exemplary service to the Darling Downs Region. The Robert Wharton 13yrs and Over relay trophy can be won at the DDRSA Country championships – a meet that is close to Bob's heart as well as the Gatton Swimming Club.

In 2008, Bob was further recognised with the prestigious Swimming QLD Outstanding Achievement Award for his ongoing contribution to the sport of swimming.

In 2019, Bob was awarded an OAM for his service to the community, particularly through sport.

Today, we acknowledge Bob's achievements, particularly as a swimmer competing at the very first DDRSA Championships, his extensive volunteer work, as well as his knowledge and contributions to the Darling Downs Regional Swimming Association.

Congratulations Bob Wharton, recipient of the 2022/2023 DDRSA Golden Whistle Award.

The DDRSA has allocated dates and approved the above dates for club swim meets. It is important to reiterate that the above proposed dates are subject to restrictions being favourable to allow them to proceed.

SQ has up to date information on their website with what is required to host a meet.

**NOTES –**

- Due to the lack of Technical Officials the DDRSA will not approve more than one Qualifying meet per club (Due to historical reasons exemption will apply for the Gatton Club)
- Development meets are highlighted - These meets will be designed around the development of swimmers to take the next step from club
- All Transition and Preparation meets will be require to use marshalling sheets and Self Marshalling is to be used.
- All Transition and Preparation meets will be require to provide a timeline which will have to be provided to the DDRSA the Monday before the meet as well as a competitor entry check list to be emailed to all competing clubs/competitors.

	<b>MEET TYPES:</b>
<b>DEVELOPMENT MEET</b>	<i>Development Meets are run by a region or club and don't require you to have achieved a qualifying time in order to enter. These meets generally run no longer than 3 hours and follow a recommended events program prepared by Swimming Queensland. Times achieved at these meets may be used to qualify for Preparation Meets and Regional Championships.</i>
<b>TRANSITION MEET</b>	<i>Similar to Development Meets, Transition Meets are run by a region or club and don't require you to have achieved a qualifying time in order to enter. These meets generally run no longer than 4 hours and follow a recommended events program prepared by Swimming Queensland. Times achieved at Transition Meets can be used for all other meets, including Regional, State and National Championships.</i>
<b>PREPARATION MEET</b>	<i>Preparation Meets are also run by a region or club and are considered the next step on the pathway from Transition or Development meets. Some Preparation Meets may have qualifying times and Rule Tolerances are not applied at these meets. These meets may run over one or two days and follow a recommended events program prepared by Swimming Queensland. Times achieved at Preparation Meets can be used for all other meets, including Regional, State and National Championships.</i>
