Presidents Report

It is with great pleasure that I present the annual report on the activities held in the region during the ongoing COVID pandemic 2021/2022 season. It has been another busy season. The members of the Management Committee have been working hard with members of various Subcommittees and a whole range of technical, professional and voluntary providers to implement the programs for the 2021/2022 season. We are now planning for the upcoming season to continue to take the region forward.

Development

This season, DDRSA would like to thank Shannon Armbruster and Troy Chandler for their continuing work with our stand-alone Programme of regional development

The last weekend of October is set aside for the DDRSA development weekend each year. The Sunday following the Country Championships was set aside for a development clinic. This year, Goondiwindi was the venue for the clinic.

Regional Events

2021 McDonalds Winter Short Course

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank The Fairholme Aquatic Center and The Fairholme Swimming Club for the support in enabling the DDRSA to host the Winter Short Course in July 2021. The DDRSA Short Course Champions were selected from this meet, with excellent results considering the lack of preparation from many clubs.

2021 Toowoomba Open

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba Clubs and Milne Bay Aquatic Centre, these meets ran efficiently. Although it was another COVID-19 restricted event, thank you to Troy Chandler and the team of Volunteers for their hard work allowing this event to go ahead.

2022 Country Championships

The Country Championships, which was hosted by the Goondiwindi Swimming Club, was facilitated at an excellent standard and well supported. This meet was again affected by COVID-19 restrictions, however, was well supported by Country clubs. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country technical officials who supported this meet.

2022 McDonalds Regional Long Course

The Regional Championships was held in Toowoomba with the support of all the Toowoomba Clubs and the Milne Bay Aquatic Centre. Again, this meet was impacted and limited by COVID-19 restrictions as well as bad weather. Thank you to all clubs, coaches, managers and Volunteers for their support to make this event possible.

Presentation Night

The Presentation Night was held at the Highfields Cultural Centre in March 2022. This was again affected by restrictions, however we were able to extend invitations to maximise numbers attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. Our guest speaker, Jacob Templeton, spoke about his journey in Swimming past, present and future. Thank you to Jacob and his Dad for travelling from the Sunshine Coast amidst training for Para trials.

Regional Teams

Patrons Shield

The Patrons Shield was hosted by DDRSA this year in September 2020 with teams from Darling Downs, Brisbane, Wide Bay and Gold Coast attending. The region was represented by 48 swimmers on the day. Thank you to all the teams for an enjoyable day and congratulations to Brisbane as winners for this year.

State Relays

For the very first time, two teams of swimmers were selected to swim for Darling Downs at this season's State Relays. Congratulations to all the swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers, Shannon Armbruster, Lisa Ford and Bianca Delaforce, and coaches, Troy Chandler and Garry Shorter for the selection and organisation of the relay teams. Congratulations to the 16 Years and Over Girls A team (Freestyle - Silver, Medley - Gold) and the 13-14 Years Boys A team (Medley - Bronze) on their medals in the Regional Relays.

Roma Development Team

As a part of our Development calendar, we selected a team of 24 swimmers to attend the Roma Open on Saturday 27th November, 2021. We then had a development clinic the next day with Olympic athlete Jake Packard and Bond University swimmers Ben Armbruster and Isabelle Mason assisting with the development clinics with DDRSA Lead Coaches Garry Shorter and Troy Chandler and Development Coaches Michael Steepe, Stacey Robertson and David Spooner. The clinic and teams challenge on Sunday was highly successful, engaging with 20 clubs and approximately 100 swimmers at the clinic.

Congratulations

Congratulations to Shannon Armbruster and Garry Gibson who have both successfully been approved to progress to Level 3 Referee Assessment.

The Future

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The interactions between the club and the coaches are continuing to evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2022-2023 season.

Major Sponsor McDonalds' Family Restaurants

The DDRSA takes this opportunity to thank McDonalds' Family Restaurants for their generous support in this region. The activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

Thank You

A thank you must go to Swimming Queensland CEO Kevin Hasemann and the Swimming Queensland staff, along with DDRSA members who are working continuously to help in the development of swimming across the region.

I would also like to thank the Management Committee of, Shannon Armbruster, Troy Chandler and Paul Maher who have worked hard for another successful season under challenging COVID-19 restrictions.

Thankyou also to Roger Brown and David White for their contribution to our Region over many years of service, with Roger receiving the very first Golden Whistle Award at our presentation night. Congratulations on your retirement, Roger!

Thank you to Garry Gibson and Shannon Armbruster, Chairpersons of the Technical Subcommittee, and all the technical officials who have volunteered their time to the swimming community. For without volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start without them.

Finance Subcommittee Report

Attached is the Audit Report from the 2021 – 2022 Season.

Similar to the 2020-21 season, the 2021-22 season was impacted by the ongoing effects of COVID. It was great to see meets taking place again, although there were restrictions on the number of participants at meets which continues to place pressure on sporting associations, including DDRSA. Although there was impact, the ability to host meets again allowed the association to slightly increase income and the decisions the region has taken in the last 24 months has allowed the association to manage costs and as such the Association has strengthened our financial position.

Key items from the 2021-22 season in relation to budget expectations include:

- Income from club affiliation and swimmer registrations was \$17,678, up by \$562 from the 2020-21 season;
- Income from McDonalds sponsorship provided \$3,500 in line with Budget;
- Income from Regional Association held meets and Presentation event was ahead of Budget – although some related costs came in after the 31st March 2022;
- Development & Team events was below in line with Budget – which included the addition of the Roma Development trip.
- During the 2021-22 Season the DDRSA was successful in obtaining grant approval from RACQ to assist in funding the development program. The grant funds have not been recognized in the 2021-22 Financials as the relevant acquittal process is still to be completed.

The Association remains in a solid financial position for the 2021 – 2022 season, with a strong bank balance and nil liabilities. With the purchase of new caps and team shirts through the 2020-21 season we should not require the level of investment in this to remain at this level for the upcoming season.

The Association has made positive changes through the 2020-21 season, not the least of which is the development strategy and agreement on the funding of the development plan. The Association is continuing to investigate sponsorship and grant funding opportunities in the effort to continue to improve the facilities and functionality of the regional events to support the continued growth and development of our swimmers.

A key factor for the upcoming season is the investment in the development within the region. The 2020-21 season provided an opportunity for transition from the SQ Development Coach to the region's development strategy, which we expect to commence in earnest during the upcoming season. To this extent we are budgeting \$20,600 to the ongoing development of the region's swimmers, officials, coaches and clubs. This will include fielding teams for the Patron's Shield and regional relay teams at QLD Championships in December.

Financial Statements period ending 31st March 2021

Examination of the Association's Balance Sheet from 1st April 2021 to the 31st March 2022 revealed that the Association at that date had a balance of \$59,615.04, reflecting the surplus achieved in the 2021-2022 season of \$3,178.67.

Specific items relating to the audit as advised by the Associations appointed auditor (Betts & Associates), were:

Not all payments – including one-off payments for prizes - had sufficient supporting documentation.

The Finance Subcommittee will action all necessary procedure changes to address the identified items.

Sponsorship

The Association received \$3,500 in cash from McDonalds for the 2021-22 season. The sponsorship from McDonalds will only remain in place for one more season (2022-23 season), with the cash component continuing to be \$3,500. The Association continues to investigate suitable sponsorship and grant funding opportunities to support the association in covering costs.

Term Deposits

At present the Association has no terms deposits, and the Finance Subcommittee does not propose to enter into any term deposits during the 2022-23 season.

2022-23 Season Budget

The Association budget outline for the 2022-2023 season is provided for review and comment.

2022-2023 Season Fees

The Finance Subcommittee proposes minor increases to the affiliation and membership fees for the 2022-23 season, after having maintained fees for the past two seasons. The proposed fees are:

Club Affiliation	- \$110.00	– an increase of \$10.00
Club Affiliation Late Fee	-\$25.00	– a new inclusion (Late Fee will apply from November 1st)
Membership 9 and over	- \$10.00	– an increase of \$0.50
Membership 8 and under	- \$7.00	– an increase of \$2.00

These increases still have the Darling Downs the lowest priced fees when compared with all other Swimming Queensland regions.

Appointment of Auditor

The Finance Subcommittee proposes to retain Betts & Associates as the Association's auditor for the 2022-2023 season.

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where appropriate, any accumulated depreciation.

The amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(d) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(e) Income Tax Expense

The association is exempt from Income Tax under Sec. 50-45 of the Income Tax Assessment Act 1997.

(f) Development Grant

As Grant of \$ 35,000.00 from the RACQ Foundation Pty Ltd has been approved to be used to fund Development Programs through the 2021/2022 season. The terms of this agreement state that funds will generally be paid directly to the third party on behalf of the Association. As at 31 March 2022 no funds have been disbursed from this Grant. The Grant is due to be finalized and acquitted by 24 July 2022.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirement of the Australian professional accounting bodies.

Basis for qualified opinion

- It is not practical for the association to maintain an effective system of internal control over donations and fundraising income until their initial entry in the accounting records. Accordingly, our audit in relation to donations and fundraising income was limited to the amounts recorded.
- Not all payments had complete supporting documentation.

.../2

Qualified opinion

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial report presents fairly in all material respects in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Darling Downs Regional Swimming Association Inc. at 31 March 2022, and its financial performance for the year then ended.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the officer's reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Technical Committee Report 2021/2022

Another season of swimming has passed. As Chairman of the Technical Committee for the Darling Downs Regional Swimming Association, I would like to express my sincere thanks to everyone who has volunteered their time to the swimming community. It was great to see another increase of pool deck officials furthering their qualifications. The volunteers make the running of every swim meet achievable and successful. Without the volunteers whether it is timekeeping, marshalling, check starting or as a Technical Official, any swim meet cannot run smoothly. I truly hope that the Darling Downs Region continues to have success and grow with our continued dedication to the sport of swimming.

I would like to congratulate those officials who attended or were appointed to the following National and State events:

Age Nationals – Garry Gibson

Queensland State Championships – Garry Gibson, Shannon Armbruster, Bianca Delaforce, Chris Gilbert, Paul Maher

Queensland Short Course Championships – Garry Gibson, Shannon Armbruster, Bianca Delaforce

Queensland Sprint Championships – Garry Gibson, Shannon Armbruster, Bianca Delaforce, Paul Maher, Chris Gilbert

Congratulations to Shannon Armbruster and Garry Gibson on a successful level 3 Referees suitability assessment at State Sprints in February 2022.

Please keep up the good work as an official and encourage others to join our ranks as we have the best seat in the house to watch the swimming from a local junior to a world champion.

McDonalds Darling Downs Regional Short Course Championships **25th July, 2021**

The 2021 DDRSA Regional Short Course Championships was hosted by Fairholme Swimming Club at the Fairholme Aquatic Centre.

This meet was well attended by clubs, with exceptional racing on display from swimmers on the day. A big thank you to clubs, coaches, parents and athletes for their ongoing support despite this meet being affected by COVID restrictions.

Thanks also to the DDRSA Technical Officials who attended this meet and those parents that are beginning their technical official journey for taking part in pool deck mentoring.

Congratulations to The Glennie Club for being named Champion Club of the Meet, as well as those swimmers who broke records, achieved personal bests and supported their team mates in what was a fantastic day.

Country Championships 22nd – 23rd January 2022 Hosted by Goondiwindi Swimming Club

The DDRSA would like to thank all its members who helped make this another successful meet and in particular thanks must go to the Goondiwindi club and all of the attending DDRSA Officials.

The weather at Country Championships for 2022 was fine and despite the large number of participants, came close to completing the meet as per the timeline. We were very lucky to avoid the flooding from previous weeks that had impacted many of our clubs with regards to travel.

Congratulations to the Allora Swimming Club for winning the 13yrs and Over Relay trophy as well as their first Club Champion trophy. Congratulations also to the swimmers who broke records, swam PB's and tried their very hardest on what was a very long day of racing.

Again, without the support from the clubs and their membership, the DDRSA would not have been able to hold this meet.

The DDRSA considers this meet a major contributor to the continued development of swimming within our region and greatly appreciate the efforts of all clubs who attended to continue to support the country areas and smaller country clubs.

Shannon Armbruster

59th Darling Downs Regional Swimming Association Long Course Championships 5th - 6th March 2022

The DDRSA would like to thank the Toowoomba Clubs for providing assistance with the 59th Darling Downs Regional Championships.

At this meet, 23 clubs were represented from all across the Darling Downs, an increase of 5 clubs from last years championships.

This meet was again a challenge due to COVID -19 restrictions and limitations placed upon us to run this important meet for the region. The Association would like to thank everyone for their understanding and helping to enable this meet to go ahead, in particular the club volunteers that assisted with setting up, packing away and assisting with the numerous roles throughout the weekend. Unfortunately, the weather was not on our side and due to storms, the meet was abandoned on Sunday morning.

The weekend got off to a good start with the March past by the National Qualifiers and clubs represented with banners waving high. Again, the competition was fierce for the DDRSA March Past Trophy but congratulations go to the Highfields Swimming Club on taking out the trophy this year.

The standard of swimming was very high again this season. This was evident with records being broken, including long standing records. Some of these records were not just broken, but smashed. On behalf of everyone from our region, I would like to express our appreciation to all our swimmers for their excellent performances and sportsmanship on the weekend and also extend our appreciation to their parents and coaches who were behind them every step of the way.

Finally, an enormous thank you to our officials, volunteers and our Sponsors – McDonalds Family Restaurants (major sponsor), Milne Bay Aquatic Centre and support from the Toowoomba Clubs because, for without this support these meets don't happen.

DDRSA Secretary

Annual Selectors Reports 2020-2021

PATRONS SHIELD TEAM REPORT

The 20th annual "Patron's Shield Inter Region Meet" was held at The Glennie Aquatic Centre on Sunday, 26th September 2021. The Darling Downs Regional Swimming Association was well represented with 48 swimmers, with a fantastic response from swimmers and parents to accept their position into the team.

Coaches: Gary Shorter (The Glennie), Gail Smail (Stanthorpe), Troy Chandler (Turbo Jets) and Michael Steepe (Chinchilla)

Managers: Shannon Armbruster (Stanthorpe), Bianca Delaforce (Gatton)

Technical Officials: Garry Gibson, Warren Krause, Chris Gilbert, David White, Paul Maher, Mona Anau

Result -1st Brisbane Region, 2nd Gold Coast Region, 3rd Wide Bay Region, 4th Darling Downs Region

Swimmers were presented with their shirt and cap and had photographs taken in their age group teams as well as a group photo.

Many of the DDRSA swimmers posted personal best times, and all swimmers were congratulated on their performance by the coaches. No swimmer missed a race, thanks to the management team's efforts and organisation on the day.

Promotion of the Patron's Shield and information to parents was freely shared via the DDRSA Facebook page, and many updates and requests were sent directly to club contacts/coaches, which made the process very easy and open lines of communication proved to invaluable with very few swimmers withdrawing prior to the meet.

A huge thanks to clubs, coaches, parents and swimmers for supporting this important representative event on our calendar, as well as the management team for this year's Patrons Shield - your support is greatly appreciated.

STATE REGIONAL RELAYS REPORT

The 2021 Darling Downs Regional Swimming Associations Regional Relay teams competed at the Chandler Aquatic Centre on Saturday, 11th December, 2021.

To counteract the loss of the 10&U Regional relays, this year we entered two teams per eligible age group, totalling 73 selected athletes, with a fantastic response from swimmers and parents accepting positions into the team.

They were very keen to compete for the region, and all swimmers marshalled on time and no events were missed. It was pleasing to see all swimmers wearing their DDRSA polo shirts with pride.

The swimmers representing this year had positive attitudes, wanted to achieve and were there for their team mates – true qualities of representative swimming and the DDRSA thanks those swimmers for making the day a fun and successful one for everyone who was there.

Thank you to all of the parents who were very supportive of the whole team, and were happy to help with making sure that swimmers were at marshalling on time!

Managers: Shannon Armbruster, Bianca Delaforce, Lisa Ford

Coaches: Troy Chandler, Garry Shorter

DDRSA Selection Criteria

The selection criteria for the 2022-2023 season are as follows:

State Regional Relays: 10th December 2022

- A swimmer must swim at least one 50m event to be considered for the Relay Team and the selection of the teams follow the Qualifying meets on a weekend in November 2021. (The actual weekend to be TBC)
- The swimmers times will only be taken from 50m long course events.
- All meet results from July 2022 will be taken into consideration; however, the later meets will have a major bearing.
- Two teams (if applicable) will be selected per age division

Patrons Shield: Sunday, 18th September 2022 at the Gold Coast

A team will be selected from the following events:

- The DDRSA SC meets (TBC: The Glennie, TGS, Fairholme, DDRSA SC Champs)
- The SQ SC Prep meet
- Other meets that have been swum since the end of the 2021/2022 season may be taken into consideration with advice from a swimmer's current coach - ALL short course meet results from July 2022 will be taken into consideration; however the later meets will have a major bearing.

Development Report 2021-2022 Season

The DDRSA Committee worked extensively this season to continue to implement its own Development Plan for Regional swimmers, coaches and clubs.

We are very pleased with the success of the clinics that we were able to offer, however are looking forward to increasing the opportunities for our swimmers within the 2022/2023 Development calendar.

During the 2021/2022 Season, we were able to host:

- * Stoke Clinics - Clinics 2, 3 and 4 (Back, Breast and Fly)
- * Patrons Shield
- * Roma Development Clinic
- * Country Championships clinic
- * JX Clinic

Unfortunately some of our events needed to be cancelled (due to COVID) or postponed due to date changes with championships events. To be able to offer so many diverse activities targeting nearly all levels of athlete development has been exciting, and the positive response that we have had post events has been fantastic. Thank you to all clubs, swimmers and parents for supporting our initiatives.

I would personally like to thank the coaches and clubs that gave their time (and centres) to support the region, as without their continued support, we would be unable to host these activities for our swimmers.

ROGER BROWN - GOLDEN WHISTLE AWARD

Roger's time in swimming began when he and Moira and his young family Duncan, Fiona, Gillian and Craig were holidaying at the beach, Roger tells the story of Duncan slowly floating out to sea on an inflatable Lilo (thankfully Duncan stayed on board until rescued by Roger) and then he decided that the kids needed to learn to swim.

Roger joined the Newtown swimming club under the direction of David Broadfoot and continued in this club until joining as a foundation member of The Aquatic Club.

A couple of years later Roger and family returned to Newtown swimming club until all his children had finished their swimming journey. Roger then joined his good friend Bob Wharton at Gatton swimming club where he remains a member today.

Roger has been celebrated through swimming receiving life memberships to the Newtown swimming club, Toowoomba District Swimming Association (TDSA) and Gatton swimming club, in addition to the honour of being a Darling Downs Regional Swimming Association life member.

Roger has refereed for 38 years during this time he has been a starter (with the old cap guns, which occasionally misfired) and spent many hours walking the pool deck as referee. Roger has completed his Johnny Farnham tour this year and managed to tick off a box of refereeing in Dalby. In all his years as a referee he only had to disqualify one of his children once for false starting.

Roger has always been fair and firm and his unmistakable voice on pool deck will be sorely missed, we wish Roger and probably more importantly Moira all the best in Roger's retirement and hope to see Roger at our Darling Downs presentation dinners into the future.

Thank you very much Roger for your service to swimming.

Congratulations Roger on being the first recipient of the DDRSA Golden Whistle Award.

It is important to reiterate that the above proposed dates are subject to restrictions being favourable to allow them to proceed.

SQ has up to date information on their website with what is required to host a meet.

NOTES –

- Due to the lack of Technical Officials the DDRSA will not approve more than one Qualifying meet per club (Due to historical reasons exemption will apply for the Gatton Club)
- Development meets are highlighted - These meets will be designed around the development of swimmers to take the next step from club
- All Transition and Preparation meets will be require to use marshalling sheets and Self Marshalling is to be used.
- All Transition and Preparation meets will be require to provide a timeline which will have to be provided to the DDRSA the Monday before the meet as well as a competitor entry check list to be emailed to all competing clubs/competitors.
