Presidents Report

It is with great pleasure that I present the annual report on the activities held in the region during the 2023/2024 season. It has been another busy season. The members of the Management Committee have been working hard with members of various Subcommittees and a whole range of technical, professional and voluntary providers to implement the programs for the 2023/2024 season. We are now planning for the upcoming season to continue to take the region forward.

Development

This season, DDRSA would like to thank Shannon Armbruster and Troy Chandler for their continuing work with our stand-alone Programme of regional development.

The ongoing implementation of the DDRSA Development calendar and activities saw an increase in participation numbers for these events, particularly the Roma Development weekend.. The Sunday following the Country Championships was set aside for the Country development clinic. This year Stanthorpe was the venue for the clinic.

Regional Events

2023 McDonalds Winter Short Course

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank Toowoomba Grammar Aquatic Center and The Toowoomba Grammar Swimming Club for the support in enabling the DDRSA to host the Winter Short Course in July 2023. The DDRSA Short Course Champions were selected from this meet, with excellent results from many clubs.

2023 Toowoomba Open

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba Clubs and Milne Bay Aquatic Centre, these meets ran efficiently. Thank you to Troy Chandler and the team of Volunteers for their hard work allowing this event to go ahead.

2024 Country Championships

The Country Championships, which was hosted by the Stanthorpe Swimming Club, was facilitated at an excellent standard and well supported. This meet was well supported by Country clubs. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country technical officials who supported this meet. A big thank you to Stanthorpe Coach Gail Smail for organising the Country Championships clinic, supported by coaches Naomi Ferre (Inglewood) and Lachlan Hemmings (Dalby). Thank you also to Australian Dolphin Ben Armbruster for joining as the guest athlete for this event - the underwater camera and information session was invaluable for parents and swimmers alike.

2024 McDonalds Regional Long Course

The Regional Championships was held in Toowoomba with the support of all the Toowoomba Clubs and the Milne Bay Aquatic Centre. Thank you to all clubs, coaches, managers and Volunteers for their support to make this event possible.

Presentation Night

The Presentation Night was held at the Toowoomba Turf Club in May 2024 and we were able to extend invitations to past and current members to maximise numbers attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. Our guest speaker was Mr Drew McGregor - Swimming Queensland Coach Director, who discussed the importance of developing athletes for competition and longevity in the sport. It was a pleasure to have Drew attend and speak to parents and swimmer as well as present trophies on the night.

Regional Teams

Patrons Shield

The Patrons Shield was hosted by The Wide Bay Swimming Association last year in September 2023 with teams from Darling Downs, Brisbane, Wide Bay and Gold Coast attending. The region was represented by 50 swimmers on the day. Thank you to all the teams for an enjoyable day and congratulations to Brisbane as winners for this year.

State Relays

Once again, two teams of swimmers were selected to swim for Darling Downs at this season's State Relays. Congratulations to all the swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers and coaches for the selection and organisation of the relay teams. Congratulations to the 15&O Girls A team (Medley - Gold) and the 15&O Years Boys A team (Freestyle - Gold) on their medals in the Regional Relays.

Roma Development Team

As a part of our Development calendar, we selected a team of 29 swimmers to attend the Roma Open on Saturday 25th November, 2023. We then had a development clinic the next day with Olympic athlete Cassie Wild (GB and Scotland Swimming) and Australian Dolphin Ben Armbruster and his fellow Bond University swimmer Isabelle Mason assisting with the development clinics with DDRSA Coaches Troy Chandler, Gail Smail and Stacey Robertson. The clinic and teams challenge on Sunday was highly successful, engaging with 32 clubs and approximately 90 swimmers at the clinic.

The Future

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The interactions between the club and the coaches are continuing to evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2024-2025 season.

Major Sponsor McDonalds' Family Restaurants

The DDRSA takes this opportunity to thank McDonalds' Family Restaurants for their generous support in this region. The activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

Thank You

A thank you must go to Swimming Queensland CEO Kevin Hasemann and the Swimming Queensland staff, along with DDRSA members who are working continuously to help in the development of swimming across the region.

I would also like to thank the Management Committee of, Shannon Armbruster, Troy Chandler and Paul Maher who have worked hard for another successful season.

Thank you to Garry Gibson and Shannon Armbruster, Chairpersons of the Technical Subcommittee, and all the technical officials who have volunteered their time to the swimming community. For without volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start without them.

Finance Subcommittee Report

Attached is the Audit Report from the 2023 – 2024 Season.

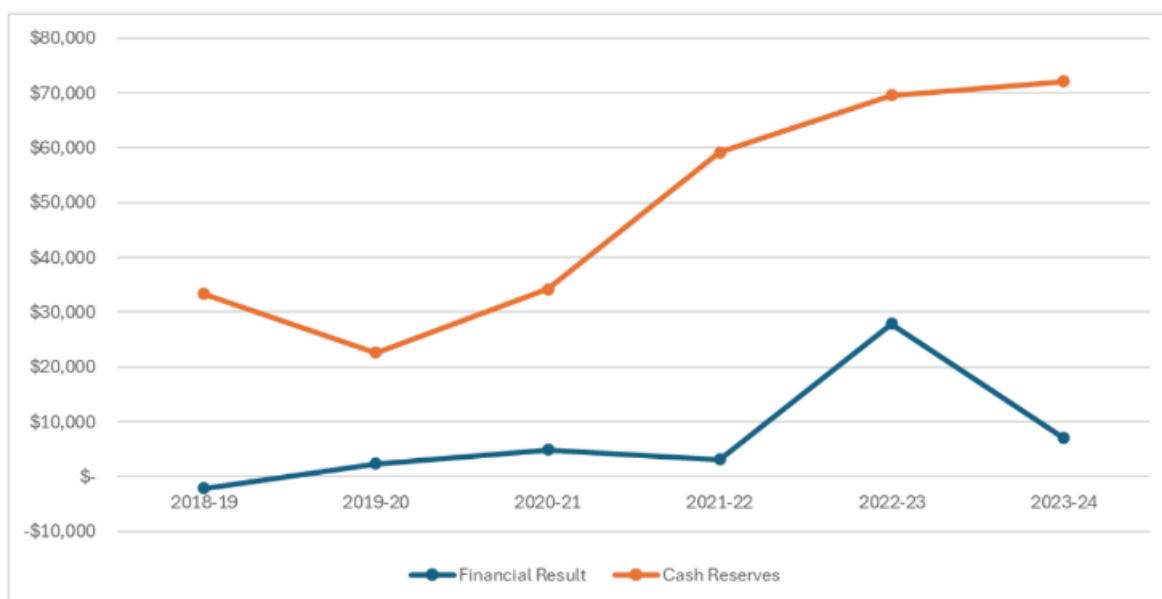

It is with pleasure that I present the Finance Subcommittee and Treasurer’s Report to the Annual General Meeting of the members of the Darling Downs Regional Swimming Association (DDRSA).

Following my report is the Association’s Audited Financial Report for the 12 months to 31 March 2024 which shows a net surplus for the year of \$7,080. The net assets position of the Association at the end of 2023-24 season remains very healthy at \$72,691 with strong cash reserves.

Key items from the 2023-24 season in relation to budget expectations include:

- Income from club affiliation and swimmer registrations was \$20,656, up by \$1,072 from the 2022-23 season (\$19,584) – however it should be noted that this increase is primarily driven by the increase in registration and memberships fees for the 2023-24 Season as overall memberships decreased;
- Income from McDonalds sponsorship provided \$3,500 in line with Budget – this was not expected with McDonald’s initially advising support for swimming would cease in the 2023-24 season;
- Income from Regional Association held meets was below Budget – with overall nomination numbers below expectations;
- Income and expenditure associated with the DDRSA awards event have not been recorded in the financials due to the event being held in May – outside of the season financial reporting period. Income and expenses for the 2023-24 awards event will be reported in the 2024-25 season financial reports;
- Development & Team event costs were below Budget. The development activities included the continuation of the Roma Development trip and the provision of development for regional coaches to attend the ASCTA conference;
- Depreciation expenditure increased in the 2023-24 Season following the purchase of the Auto-Coach timing system and the replacement of ageing IT equipment.

The past few years have seen a material improvement in the cash reserves held by the Association – as shown in the graph below. This is reflective of the Executive Committee’s willingness to make often hard decisions in order to sustain a cash position that allows the Association to invest in the development of swimmers, coaches and technical officials. The success in obtaining grant funding, inclusive of the RACQ grant in the 2022-23 season, has allowed the Association to direct funds to support existing and newly introduced development activities – without materially increasing membership and nomination fees. The increase in the cash reserves over the past few years has allowed for the Association to invest in equipment to support the ongoing enhancement of Association activities, including upgrading the timing system and associated IT equipment.

The Association remains in a solid financial position for the 2023 – 2024 season, with a strong bank balance, however with membership and nomination numbers continuing to reduce it will remain imperative to be assess the necessity of all expenditure and review opportunities to generate increased income – by reviewing membership and nomination fees and make efforts to attract additional sponsorship.

I would like to take this opportunity to thank my fellow Finance Sub-Committee members, Garry Gibson, Shannon Armbruster and Troy Chandler for assisting me in the discharge of my responsibilities as Treasurer throughout the 2023-24 season.

Financial Statements period ending 31st March 2024

Examination of the Association's Balance Sheet from 1st April 2023 to the 31st March 2024 revealed that the Association at that date had a cash reserve balance of \$72,090 – an increase of \$2,551.

It should be noted that when the non-cash items – including Depreciation - are added back to the net surplus result the Associations made a cash profit of approximately \$21,462. The net cash movement reporting in the Financial Statements includes the purchase of the new Auto-Coash timing system and replacement of ageing IT equipment, totalling \$18,814.

Specific items relating to the audit as advised by the Associations appointed auditor (Betts & Associates), include:

- Stale cheques – a number of aged cheques which have not been presented are still showing in the accounting software. These cheques have been cancelled and reissued where appropriate.

These cheques do not have any impact on the financial reporting, however it is recommended to remove these as a matter of tidying up the software.

The Finance Subcommittee will action all necessary procedure changes to address the identified items.

Sponsorship

The Association received \$3,500 in cash from McDonalds for the 2023-24 season, however this was unexpected as funding from McDonalds was expected to have ceased – as noted in the previous Finance Subcommittee Report.

Following the continuation of the McDonalds sponsorship this has been included in the 2024-25 season's budget.

The Association is continuing to investigate sponsorship and grant funding opportunities in the effort to continue to improve the facilities and functionality of the regional events to support the continued growth and development of our swimmers.

Term Deposits

At present the Association has no terms deposits, and the Finance Subcommittee does not propose to enter into any term deposits during the 2024-25 season.

2024-25 Season Fees

Swimming Queensland has made changes to the Membership categories for the upcoming 2024-25 season, which are provided below for reference.

- National Swimmer
- Youth Swimmer
- Junior Swimmer
- Recreational Swimmer

The below table provides a reference for what each membership category requires:

	National	Youth	Junior	Recreational	Second Claim ^A

^AMemberships are based on the age as at 1 June. Where members age up to 10 years prior to a relevant Meet (i.e. Qld Championships and Qld Sprint Championships), they would be eligible to compete.

^ASecond Claim Swimmers may participate recreationally only for their second club and must hold a Primary Membership: either National, Youth or Junior with a Qld club.

These changes should be noted and actioned by all Clubs with memberships for the 2024-25 season.

In setting the proposed fees the Finance Subcommittee has tried to balance the requirement to manage income levels with the risk of making membership too expensive for current and future members. It is proposed that the fees for the 2024-25 season have a minor increase, but recommend that the fees increase more substantially in future seasons.

The Finance Subcommittee the below fees for the 2024-25 season:

PROPOSAL - 2024/2025 SEASON			
MEMBERSHIP FEES			
	Swimming Aus	Swimming Qld	Darling Downs
National Swimmer	\$ 32.51	\$ 61.00	\$ 11.00
Youth Swimmer	\$ 23.54	\$ 61.00	\$ 11.00
Junior Swimmer	\$ 23.54	\$ 42.00	\$ 7.50
Recreational Swimmer	\$ 23.54	\$ 42.00	\$ 11.00

AFFILIATION FEES

For comparison the below table shows the fees for the 2023-24 season:

2023/2024 SEASON			
Membership Fees			
	Swimming Aus	Swimming Qld	Darling Downs
Competitive Swimmer 9 Years & Over	\$ 32.04	\$ 56.00	\$ 10.50
Recreational Swimmer 9 Years & Over	\$ 21.36	\$ 39.00	\$ 10.50
Swimmer 8 Years & Under	\$ 21.36	\$ 39.00	\$ 7.50

Accredited Technical Official	\$ -	\$ -	\$ -
Life Member	\$ -	\$ -	\$ -
Affiliation Fees			
Club Affiliation	n/a	\$ 180.00	\$ 115.00

The proposed changes to the fee structure still have the Darling Downs as one of the lowest priced fees when compared with other Swimming Queensland regions.

The Association budget outline for the 2024-2025 season is provided for review.

The incoming Executive Committee will need to continue efforts to identify opportunities to attract income to support the ongoing development activities for swimmers, coaches and technical officials.

The ongoing development is imperative to the future success of the region and I strongly believe that the incoming committee will continue to provide a friendly, fun and positive experience for swimmers, and all members.

Key items included in the 2024-25 season budget include:

- Recommendation for minor increases in membership fees as outlined earlier in this report;
- Recommendation to increase the nomination fees for DDRSA held meets – being Short Course Championships, Toowoomba Open, Country Championships and DDRSA Regional Championships. The increase in nomination fees will assist in covering the increasing costs of running these meets;
- Inclusion of sponsorship income from McDonalds – in line with amount received in 2023-24 season;
- Following the decision to withdraw DDRSA from the Patrons Shield, associated costs have been removed for the 2024-25 Budget;
- Inclusion of costs for the proposed Teams Challenge to replace Patrons Shield;
- Retention of costs associated with Coach Development activities including participation at SwimCon;
- Retention of budget expenditure to support the development of Technical Officials;
- Income and Expenditure for the Regional Awards evening have been increased. This increase provides for recording of income and expenses associated with the event held in May 2024 and the income and expenses expected for the 2024-25 season awards event planned for March 2025.

Appointment of Auditor

The Finance Subcommittee proposes to retain Betts & Associates as the Association's auditor for the 2024-2025 season.

This is my last annual report as work commitments prevent me from standing for re-election this year. I reflect fondly on the current Executive Committee's achievements during my term as Treasurer, including successfully navigating the challenges of COVID in order to continue competitions, the success in obtaining grant funds to support the significant efforts to increase the development opportunities for swimmers, coaches and technical officials.

I wish the incoming committee every success and I would personally like to thank all the Association's Executive committee members, as well as all club representatives for their advice and support over my term as Treasurer.

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where appropriate, any accumulated depreciation.

The amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(d) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(e) Income Tax Expense

The association is exempt from Income Tax under Sec. 50-45 of the Income Tax Assessment Act 1997.

These statements should be read in conjunction with the attached audit report of Betts & Associates Pty Ltd.

INDEPENDENT AUDITOR'S REPORT

To the Members of Darling Downs Regional Swimming Association Inc.

Qualified Opinion

We have audited the financial report of Darling Downs Regional Swimming Association Inc., which comprises the balance sheet as at 31 March 2024, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and as statement by members of the committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 31 March 2024, and its financial performance for the year then ended in accordance with the Associations Incorporation Act 1981.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Darling Downs Regional Swimming Association Inc. to meet the requirements of the Associations Incorporation Act 1981. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the financial report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole, is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Accounting Standards, we exercise professional judgement and maintain professional scepticism through the audit.

We also:

- Identify and assesses the risks of material misstatement of the financial report, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of those charged with governance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we auditor concludes that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Technical Committee Report 2023/2024

Another season of swimming has passed. As Chairman of the Technical Committee for the Darling Downs Regional Swimming Association, I would like to express my sincere thanks to everyone who has volunteered their time to the swimming community. It was great to see another increase of pool deck officials furthering their qualifications. The volunteers make the running of every swim meet achievable and successful. Without the volunteers whether it is timekeeping, marshalling, check starting or as a Technical Official, any swim meet cannot run smoothly. I truly hope that the Darling Downs Region continues to have success and grow with our continued dedication to the sport of swimming.

I would like to congratulate those officials who attended or were appointed to the following National and State events:

Age Nationals – Garry Gibson, Shannon Armbruster

Queensland State Championships – Garry Gibson, Chris Gilbert, Paul Maher, Shannon Armbruster, William Gibson, Romey Wiemers

Queensland Short Course Championships – Garry Gibson, Paul Maher, Chris Gilbert, William Gibson

Queensland Sprint Championships – Garry Gibson, Shannon Armbruster, Chris Gilbert, Romey Wiemers, William Gibson

Please keep up the good work as an official and encourage others to join our ranks as we have the best seat in the house to watch the swimming from a local junior to a world champion.

Country Championships 20th – 21st January 2024 Hosted by Stanthorpe Swimming Club

The DDRSA would like to thank all its members who helped make this another successful meet and in particular thanks must go to the Stanthorpe swimming club and all of the attending DDRSA Officials.

The weather at Country Championships for 2024 was fine and despite the large number of participants, came close to completing the meet as per the timeline.

Congratulations also to the swimmers who broke records, swam PB's and tried their very hardest on what was a very long day of racing.

Again, without the support from the clubs and their membership, the DDRSA would not have been able to hold this meet.

The DDRSA considers this meet a major contributor to the continued development of swimming within our region and greatly appreciate the efforts of all clubs who attended to continue to support the country areas and smaller country clubs.

DDRSA 2023 - 2024

61st Darling Downs Regional Swimming Association Long Course Championships 24th - 25th February 2024

The DDRSA would like to thank the Toowoomba Clubs for providing assistance with the 61st Darling Downs Regional Championships.

At this meet, 21 clubs were represented from all across the Darling Downs, with 245 athletes nominating for 1,302 individual entries over the weekend.

The Association would like to thank everyone for their understanding and helping to enable this meet to go ahead, in particular the club volunteers that assisted with setting up, packing away and assisting with the numerous roles throughout the weekend.

The weekend got off to a good start with the March past by the National Qualifiers and clubs represented with banners waving high. Again, the competition was fierce for the DDRSA March Past Trophy but congratulations go to the Allora Swimming Club on taking out the trophy this year.

The standard of swimming was very high again this season. This was evident with records being broken, including long standing records. On behalf of everyone from our region, I would like to express our appreciation to all our swimmers for their excellent performances and sportsmanship on the weekend and also extend our appreciation to their parents and coaches who were behind them every step of the way.

Finally, an enormous thank you to our officials, volunteers and our Sponsors – McDonalds Family Restaurants (major sponsor), Milne Bay Aquatic Centre and support from the Toowoomba Clubs because, for without this support these meets don't happen.

Results -1st Swimming Brisbane Team 1, 2nd Swimming Brisbane Team 2, 3rd Swimming Gold Coast, 4th Wide Bay Swimming, 5th Darling Downs Region

Swimmers were presented with their shirt and cap and had photographs taken throughout the day. Many of the DDRSA swimmers posted personal best times, and all swimmers were congratulated on their performance by the coaches. No swimmer missed a race, thanks to the management team's efforts and organisation on the day.

Promotion of the Patron's Shield and information to parents was freely shared via the DDRSA Facebook page, and many updates and requests were sent directly to club contacts/coaches, which made the process very easy and open lines of communication proved to be invaluable with very few swimmers withdrawing prior to the meet.

A huge thanks to clubs, coaches, parents and swimmers for supporting this important representative event on our calendar, as well as the management team for this year's Patrons Shield - your support is greatly appreciated.

STATE REGIONAL RELAYS REPORT

The 2023 Darling Downs Regional Swimming Associations Regional Relay teams competed at the Chandler Aquatic Centre on Saturday, 9th December, 2023.

This year, we again entered two teams per eligible age group, totalling 82 selected athletes, with a fantastic response from swimmers and parents accepting positions into the team.

They were very keen to compete for the region, and all swimmers marshalled on time and no events were missed.

The swimmers representing this year had positive attitudes, wanted to achieve and were there for their team mates – true qualities of representative swimming and the DDRSA thanks those swimmers for making the day a fun and successful one for everyone who was there.

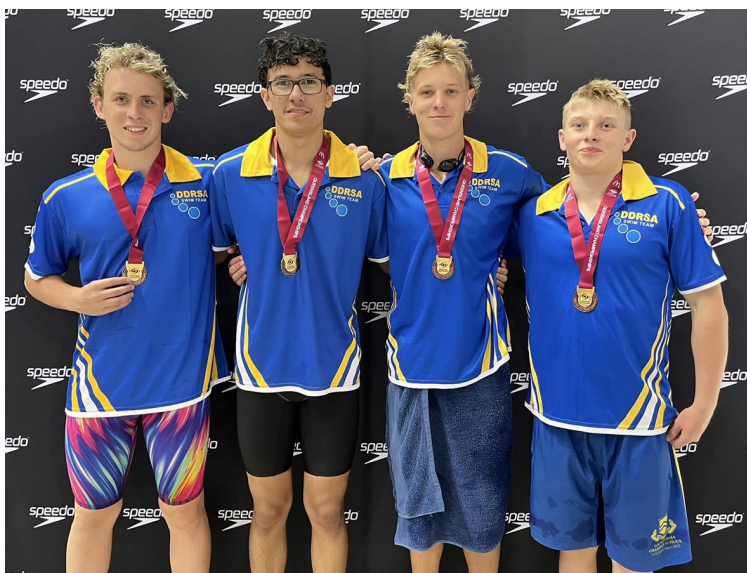

Thank you to all of the parents who were very supportive of the whole team, and were happy to help with making sure that swimmers were at marshalling on time!

Development Report 2023-2024 Season

The DDRSA Committee worked extensively this season to continue to implement its own Development Plan for Regional swimmers, coaches and clubs.

We are very pleased with the success of the clinics that we were able to offer, however are looking forward to increasing the opportunities for our swimmers within the 2024/2025 Development calendar.

During the 2023/2024 Season, we were able to host:

- * Patrons Shield
- * Roma Development Clinic
- * Country Championships clinic
- * JX Clinic
- * YDS and Non-YDS Clinic
- * Distance Clinic

To be able to offer so many diverse activities targeting nearly all levels of athlete development has been exciting, and the positive response that we have had post events has been fantastic. Thank you to all clubs, swimmers and parents for supporting our initiatives.

I would personally like to thank the coaches and clubs that gave their time (and centres) to support the region, as without their continued support, we would be unable to host these activities for our swimmers. It would be wonderful if more of the available coaches within the DDRSA engaged with these clinics throughout the season as we relied heavily upon a small group of coaches to run our advertised clinics.

Today, we celebrate the exceptional services to swimming by Mr David White.

David has been a Technical Official, Member of the Executive (for 14 Years from 2005-2019, in the roles of President, Secretary and Treasurer) and was given well-deserved Life Membership of the Darling Downs in 2007. He was also given Life Membership of Swimming Queensland in 2015 for his services to swimming.

He has provided support, encouragement and guidance to hundreds of club officials, swimmers, technical officials and parents and can always be found with a smile on his face helping others on pool deck. David was initially involved with the Toowoomba Aqua Jets Swimming Club as a parent of his sons Roger and William, both high quality swimmers who still hold current Darling Downs Records. He later moved to the Fairholme Swimming Club to continue his officiating journey and completed his referees exam to become a Level 1 Referee.

David first began as a recorder, assisting at club meets and then progressing through to learn the Omega system and then later the Quantum system. He often was seen with a car load of equipment setting the plungers up at club meets and taking them all apart at the end of the day, packing them up in his car and heading home. Prior to Meet Manager and Team Manager, David was responsible for the organisation of hundreds of paper nominations for meets - a job that was extremely well done in short periods of time to ensure that all swimmers were given an opportunity to race.

David's extensive knowledge on pool deck protocols, the history of the Darling Downs Regional Swimming Association and his administrative skills in ensuring the DDRSA ran smoothly year after year have been an asset to all that have been involved with him over his long and dedicated history with the region.

Congratulations David, we look forward to working with you again next season on pool deck!

SPECIAL AWARDS

GARRY GIBSON - LIFE MEMBERSHIP SWIMMING QUEENSLAND

Garry began his journey with swimming around 2005 when his eldest son, Alan, became a recreational swimmer member of the Academy Swim Club in Toowoomba. He then commenced his Technical Official training, and has been seen regularly on pool deck ever since, along with his illustrious yet infamous beard.

Garry is an avid supporter and promoter of swimming. Since his earliest involvement in the sport, he has always made himself available to attend meetings, swim meets, award nights, development activities and fundraising events. Garry is a passionate supporter of swimmers and believes swimming should be an enjoyable experience, by nurturing and encouraging the swimmers to achieve their goals at regional, state and national levels in a safe environment and has continually promoted swimming across the region through his interactions with swimmers, parents, volunteers and officials.

Garry is the current DDRSA President, a position that he has held for the last 8 years. Prior to that he was the DDRSA Registrar and has also held numerous committee positions for a number of years within the DDRSA as well as clubs that he has been involved with.

Garry's dedication to excellence in swimming is evident. Garry has undertaken ongoing and extensive training to become a technical official and he is currently a Level 2 Referee, having passed his suitability assessment for Level 3 in February of 2022 and his first practical assessment for this level at Age Nationals this year. Garry is also an accredited mentor and assessor. He willingly attends meets to allow the swimmers of the Darling Downs to achieve their goals at all levels of competition. He also attends Club meets, State meets and National meets to further his education and professionalism. As an experienced official, Garry has unselfishly and actively contributed to the development of new officials through his work as a mentor and assessor. He is always more than willing to discuss, demonstrate and clarify any concerns volunteers may have when undertaking their duties at various meets in a calm, reassuring and encouraging demeanour. Although Garry's children no longer swim competitively, he has coaxed his youngest son William, into the world of officiating, training him with the exact same patience, understanding and compassion that he has done with so many others

Our swimming community can rely on Garry to continuously demonstrate professionalism, compassion, and a strong depth in the understanding and applying of swimming and swimming principles. His long history of commitment to our sport and his sincerity to assist the swimmers achieve their best potential, no matter their level of ability has been evident from the first day that he commenced his journey as an official. Today, please join with me in congratulating Garry for his professionalism, his ongoing achievements, his friendship and his Life Membership of Swimming Queensland.

- Development meets are highlighted - These meets will be designed around the development of swimmers to take the next step from club
- All Transition and Preparation meets will be require to use marshalling sheets and Self Marshalling is to be used.
- All Transition and Preparation meets will be require to provide a timeline which will have to be provided to the DDRSA the Monday before the meet as well as a competitor entry check list to be emailed to all competing clubs/competitors.
