Presidents Report

President's Report 2019/20

It is with great pleasure that I present the annual report on the activities held in the region for the 2019/20 season. It has been another busy season. The members of the Management Committee have been working very hard with members of various Subcommittees and a whole range of technical, professional and voluntary providers to implement the programs for the 2019/20 season. We are now planning for the upcoming season to continue to take the region forward.

Development

This season, DDRSA continued to join with Swimming Queensland to take part in the funding to access Barry Prime (SQ Development Coach) and Jade Edmonstone; until the end of 2019 when we made the decision to end our agreement with Swimming Queensland due to financial pressures on the region if we continued.

The last weekend of October is set aside for the DDRSA development weekend each year. The weekend commenced with JX Clinic at Fairholme on the 26th October. The Sunday following the Country Championships was set aside for a development clinic. This year, Dalby was the venue for the clinic on Sunday 19th January.

2019 JX Clinic Toowoomba

The 2019 JX Clinic was, as always, very successful with coaches assisting Barry Prime to facilitate an extremely beneficial swimming clinic and a skills session. Thank you to Troy Chandler, Garry Shorter, Julie Elliot and Gail Smail for organising pool sessions and developing new coaches in the process.

2020 Development Clinic at Dalby

After a successful Country Championships held on the 18th January, Dalby was the venue for the development clinic held on Sunday 19th January. This clinic was open to all swimmers in our region and saw swimmers from most clubs take part. From all reports, the swimmers who attended the clinic, enjoyed the morning session.

The DDRSA acknowledges the ongoing support received over many years from Gail Smail, Garry Shorter and Troy Chandler. For without their time and expertise freely given, the DDRSA could not hold our annual Development Clinic activities. The DDRSA cannot express their thanks enough to Fairholme College and Dalby pool and the host clubs for their support of these clinics.

Regional Events

2019 McDonalds Winter Short Course

The first DDRSA meet for the season was the Winter Short Course. The Association would like to thank Fairholme College and Fairholme Swim Club for the support in enabling the DDRSA to host the Winter Short Course in August 2019. The DDRSA Short Course Champions are selected from this meet.

2019 Toowoomba Open

The Toowoomba Open has again been used for the selection of Toowoomba Champions. Along with the Regional Championships, it was held in Toowoomba. With the support of all the Toowoomba Clubs and Milne Bay Aquatic Centre, these meets ran efficiently. Although it was a very long, the Competition Subcommittee will be looking at ideas to better streamline this meet.

2020 Country Championships

The Country Championships, which was hosted by the Dalby Swimming Club, was facilitated at an excellent standard and well supported. This meet was again the biggest on the Downs this season number-wise. The Country Awards are selected from this meet. It was very pleasing to see the number of coaches and country technical officials who supported this meet.

2020 McDonalds Regional Long Course

The Regional Championships was held in Toowoomba with the support of all the Toowoomba Clubs and the Milne Bay Aquatic Centre.

Presentation Night

The Presentation Night was held at the Highfields Cultural Centre in March 2020. This year was a great success with largest number ever of 312 members attending with swimmers, parents, coaches, officials and volunteers coming together to celebrate the successes of the season. Our guest speaker, Karen Robertson, spoke about her life as a hockey player and overcoming disappointments.

Regional Teams

Patron Shield

The Patron Shield was hosted by Wide Bay Swimming in September 2019 with teams from Darling Downs, Wide Bay, Brisbane and Gold Coast attending. The region was represented by 42 swimmers on the day. Thank you to all the teams for an enjoyable day and congratulations to Brisbane as winners for this year.

State Relay

A team of swimmers was selected to swim for Darling Downs at this season's State Relay. Congratulations to all the swimmers for their great results in all age groups. DDRSA would like to thank the Team Managers, Shannon Armbruster, Lisa Ford and Michael Crook, and coaches, Troy Chandler, Gail Smail and Gary Shorter for the selection and organisation of the relay teams.

Congratulations

This season, Roger Brown was awarded the Swimming Queensland Award of Excellence for his outstanding service to swimming in Queensland. It was a great honour to witness the presentation of the award by Swimming Queensland President, Michael Cox, at our annual award evening.

The Future

Our Association must be proactive in providing opportunities for all swimmers and their coaches throughout this vast region. However, what happens at club level is the most important thing for the swimmers. The future is full of opportunities with the continued development of technology on how clubs are run. The interaction between the club and the coaches is continuing to evolve, so the association must embrace these changes and work with the stakeholders. This is the goal of the DDRSA Management Committee when planning for the 2020-21 season.

Major Sponsor McDonalds' Family Restaurants

The DDRSA takes this opportunity to thank McDonalds' Family Restaurants for their generous support in this region. The activities run by the DDRSA would come at a higher cost to the region without their generous ongoing support.

Thank You

A thank you must go to Swimming Queensland CEO Keven Hasemann and the Swimming Queensland staff, along with DDRSA members who are working continuously to help in the development of swimming across the region.

Many thanks to Michael Crook for his ongoing work in gaining grants for our region.

I would also like to thank the Management Committee of David White, Michael Crook, Shannon Armbruster, Troy Chandler and Paul Mayer who have worked hard for another successful season.

Thank you to Garry Gibson and Shannon Armbruster, Chairpersons of the Technical Subcommittee, and all the technical officials who have volunteered their time to the swimming community. For without volunteers, whether it is timekeeping, marshalling, check-starting or as a Technical Official, any swim meet would not start without them.

Thankyou.

Statement of Income & Expenses

Is a financial statement that indicates how the revenue (money received from the sale of products and services before expenses are taken out.) is transformed into the net income (the result after all revenues and expenses have been accounted for). The purpose of the income statement is to show whether the company made or lost money during the period being reported.

The important thing to remember about an income statement is that it represents a period of time. This contrasts with the balance sheet, which represents a single moment in time.

Balance sheet

A balance sheet is a summary of an organization's balances. Assets, liabilities and equity are listed as of a specific date, such as the end of its financial year. A balance sheet is often described as a snapshot of an Associations financial condition at a single point in time. In the DDRSA case 31st March of each financial year. Items such as touchpads have been recorded as an asset to the association. They are considered an asset in part due to their large value, they have a life expectancy (or useful life to the association) of beyond a year, and they are used in part to generate revenue.

DARLING DOWNS REGIONAL SWIMMING ASSOCIATION INC.
Statement by Members of the Committee
For the year ended 31 March 2020

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the Income and Expenditure Statement, Statement of Financial Position, and Notes to the Financial Statements:

1. Presents fairly the financial position of DARLING DOWNS REGIONAL SWIMMING ASSOCIATION INC. as at 31 March 2020 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Treasurer

The accompanying notes form part of these financial statements.

Notes to the Financial Statements For the year ended 31 March 2020

2020

2019

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(b) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where appropriate, any accumulated depreciation.

The amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(d) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

These statements should be read in conjunction with the attached audit report of Betts & Associates Pty Ltd.

Independent audit report

To the members of Darling Downs Regional Swimming Association Inc.

We have audited the accompanying financial report, being a special purpose financial report, of Darling Downs Regional Swimming Association Inc., which comprises the balance sheet as at 31 March 2020, the statement of income & expenses for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Officers' responsibility for the financial report

The officers of Darling Downs Regional Swimming Association Inc. are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1981 and the needs of the members. The officers' responsibility also includes such internal control as the officers determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirement of the Australian professional accounting bodies.

Basis for qualified opinion

- It is not practical for the association to maintain an effective system of internal control over donations and fundraising income until their initial entry in the accounting records. Accordingly, our audit in relation to donations and fundraising income was limited to the amounts recorded.
- Not all payments had supporting documentation.

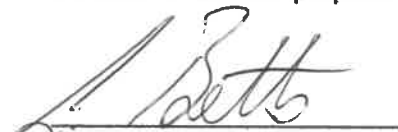

- The Opening Stock figure was found to be incorrect, which resulted in a negative cost of Goods Sold figure of \$ 269.95.
- The minutes of the meetings were not signed off at the following meeting verifying their accuracy.

Qualified opinion

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial report presents fairly in all material respects in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Darling Downs Regional Swimming Association Inc. at 31 March 2020, and its financial performance for the year then ended.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the officer's reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Finance Subcommittee Report

Attached is the Audit Report from the 2019-2020 season

The 2019 -20 season was a demanding season for this region in relation to the budget expectations and the budgeted items were reasonably met.

Variations from the expectations of the 2019- 2020 budget are demonstrated below:

- Total Equity balance from the 2018 - 19 (\$27,242) to 2019 - 20 (\$ 29,628) season is up \$2,386
- Mainly due to the purchase of new Plant & Equipment via grants, donations, DDRSA funds - \$49,133
- Income from club affiliation and swimmers registration was \$17,026 up by \$926 Budgeted \$16,100
- Income from Regional Championships which includes the Presentation night was down by - \$3,955,00 but budgeted for a loss of \$4,500
- Income from McDonalds Sponsorship realised +\$6,235.23 Budgeted +\$6,155.00

The Association remains in a strong position for 2020 -2021 season even though the funds from registered swimmers this season is expected to be down mainly due the reduction in the number of clubs and of course COVID-19. The other factor is the purchase of stock (swim caps, ribbons) and the depreciation of assets.

The other factor taken into consideration was the funding of Development within this region which totalled \$16,830 which include officials, coaches and the fielding of a Patrons Shield and relay teams at a cost of \$4,172.00

The other major item taken into consideration was the funding towards a SQ Development Coach from this region which totalled \$4166 this season has ceased in January 2020 due to budget restraints.

As a member of the Management Committee I am pleased to report that our dedicated officials and volunteers have continued to offer their services frequently, often without requesting the financial compensation for their expenses or time incurred in volunteering for official duties.

However the Association will need to look at savings to cover the costs.

Financial Statements period ending 31st March 2020

Examination of the Associations Balance Sheet from the 1st April 2019 to the 31st March 2020 revealed that the Association at that date had a balance of \$29,628.57 (includes plant and equipment) up from the Associations Balance Sheet from the 1st April 2018 to the 31st March 2019 of \$27,242.68

Items relating to the Audit

Specific items

- The minutes had not been sign off
- Opening Stock figure was incorrect
- Not all payments had supporting documentation
- Internal control of income from fundraising.

Sponsorship

The DDRSA received \$6,571.46 cash from McDonalds for the 2019-2020 season. McDonalds has agreed to continue the sponsorship but the items in kind for the Region has again been deduced. At the time this region expectation is \$4,000 cash \$1,000 Value in kind total value \$5,000

Progressive Balance of the Accounts as of the 14th August 2020

The Balance of the Heritage Account is \$ 21,848.59

Term Deposits

At present the DDRSA has no Term Deposits

Budget

The DDRSA budget outline for 2020-2021 is on P

The proposal from the finance subcommittee is to keep the affiliation and membership fees for the 2020 -2021 season to remain as last season Affiliation \$100.00, Membership \$9.50 for swimmers

Registrar's Report 2019 – 2020

It is in interesting times amid covid 19 restrictions that I submit my report for the season. As a region we have current registrations on 2419 as listed on swim central from 34 clubs, but I make note that some data is not transferred to the current list, i.e. Stanthorpe and The Glennie parent registrations.

Some points of interest are that we have 1292 8yrs and over competitive swimmers, 327 7yrs and under, 214 recreational or non-competitive members and 481 parent members.

The top 5 clubs based on the current information are; Goondiwindi 172, Dalby 145, Gatton 138, TGS 118 and Chinchilla 113. The breakdown of all clubs follows in the chart. It is important to note that this is done by PRIMARY registration type. Some members fit into many categories, but this is based on the type they registered as.

I would like to see a clear list for all clubs to register under, as many clubs have the same type of registrations however they are written differently. The best example is a simple parent category was listed as parent, parent of swimmers, swimmers parent and adult.

As such I make the following suggestions;

1. 7 and under competitive swimmer
2. 8 and over competitive swimmer
3. Recreational club swimmer
4. Parent
5. Coach
6. Official
7. Life members

This can be done when club registrars set up the types in swim central for their club.

As we move into the new season I look forward to the new challenges that Covid19 will deliver and embracing the journey.

I move my report be accepted.

McDonalds 57th Darling Downs Regional Long Course Swimming Championships

7th – 8th March 2020

I would like to present this report to the Darling Downs Regional Swimming Association.

I would like to thank the Toowoomba Swim Clubs for providing assistance for the 57th Darling Downs Regional Championships. At this meet 17 clubs were represented from all across the Downs.

The Association would like to congratulate Roger Brown on been awarded the Swimming Queensland Award of Excellence. Roger has put in a lot of work over many years and is a very worthy recipient of this prestigious award.

The weekend got off to a good start with the March pass by the National Qualifiers and clubs present. Again the competition was fierce for the DDRSA March Past Trophy but congratulations go to the Turbo Jets Swimming Club on winning it.

The standard of swimming was very high again this season. This was evidenced by records being broken, including long standing records. Some of these records were not just broken, but smashed. On behalf of everyone from our region, I would like to express our appreciation to all our swimmers for their excellent performances and sportsmanship on the weekend and also extend our appreciation to their parents and coaches who were behind them every step of the way.

Finally, an enormous thank you to our officials, volunteers and our Sponsors – McDonalds Family Restaurants (major sponsor), Milne Bay Aquatic Centre and support from the Toowoomba Clubs because, for without this support these meets just don't happen – it is that simple.

Conclusion

The DDRSA would like to thank all its members who helped make this another successful meet and in particular thanks must go to the Fairholme club and all of the attending DDRSA Officials.

The standard of all swimmers was high with only 12 swimmers been DQ in individual events. It was also pleasing so many younger swimmers attend and complete at this meet

Again without the support from the clubs and their membership the DDRSA would not have been able to hold this meet.

Country Championships Weekend 18th – 19th January 2020

The DDRSA would like to thank all its members who helped make this another successful meet and in particular thanks must go to the Dalby club and all of the attending DDRSA Officials. A special thankyou goes to Bob Wharton for giving up his time to officiate at this meet.

The weather at the Country Championships 2020 was a wet and stormy day but we got through the program. With 46% of the swimmers attending achieved PB's on the day. The standard of all swimmers was high with only 3% of the swimmers been DQ in individual events

Again without the support from the clubs and their membership the DDRSA would not have been able to hold this meet. The DDRSA considers this meet a major contributor to the continued development of swimming within our region.

The DDRSA wants to make a special thankyou to the Dalby Club for their generous support for this meet. The DDRSA appreciate it.

Annual Selectors Report 2019-2020

PATRONS SHIELD TEAM REPORT

The 2019 Patrons Shield was held on Sunday 22ND September 19 at the Mountain Creek Aquatic Complex. The Darling Downs Regional Swimming Association was well represented with 44 swimmers, approximately 3 more than initially indicative swimmers selected.

Coaches: Garry Shorter (The Glennie), Troy Chandler (TJ's)

Managers: Shannon Armbruster (Stanthorpe), Lisa Ford (TGSSC)

Technical Official: Michael Crook and Bianca Delaforce

Result -1st Brisbane Region, 2nd Gold Coast Region, 3rd Darling Downs Region, 4th Wide Bay Region

Swimmers were presented with a pack with their shirt, cap and a DDRSA thank you certificate enclosed. Due to a large number of withdrawals prior to the event – many due to illness – there was some creative shuffling between a couple of age groups to make sure that our team was as strong as possible with the available swimmers. Many of the DDRSA swimmers posted personal best times, and all swimmers were congratulated on their performance by the coaches. No swimmer missed a race, thanks to the management team's efforts and organisation on the day.

Promotion of the Patron's Shield and information to parents was freely shared via the DDRSA Facebook page, and many updates and requests were sent directly to club contacts/coaches, which made the process very easy and open lines of communication proved to invaluable when replacing swimmers at the last minute.

A huge thanks to clubs, coaches, parents and swimmers for supporting this important representative event on our calendar, as well as the management team for this year's Patrons Shield - your support is greatly appreciated.

STATE REGIONAL RELAYS REPORT

The 2019 Darling Downs Regional Swimming Associations Regional Relay teams competed at the Chandler Aquatic Centre on Saturday, 14th December.

The DDRSA was represented with 39 swimmers

Managers Michael Crook, Bianca Delaforce, Lisa Ford, Coach – Troy Chandler, Garry Shorter

Swimmers were keen to compete for the region, and all swimmers marshalled on time and no events were missed.

The selectors and coach were very pleased with swimmers swimming in age and open relay teams, and all swimmers competed to the best of their ability.

These swimmers had positive attitudes, wanted to achieve and were there for their team mates – true qualities of representative swimming and the DDRSA thanks those swimmers for making the day a fun and successful day for everyone who was there.

Thank you to all of the parents who were very supportive of the whole team, and were happy to help with making sure that swimmers were at marshalling on time!

Overall, the Darling Downs teams placed 1 x 1st; 1 x 2nd, 1 x 3rd, 4 x 4th, 3 x 5th, 4 x 6th

The results are.

DDRSA Selection Criteria

The selection criteria for the 2018-2019 SEASON are as follows:

State Relay: December 2020

- A swimmer must swim at least one 50m event to be considered for the Relay Team and the selection of the teams follow the Qualifying meets on a weekend in November 2020 The actual weekend to be TBC
- The swimmers times will only be taken from 50m long course events.
- All meet results from July 2020 will be taken into consideration; however the later meets will have a major bearing.

Patrons Shield: September 2020

Will be selecting a team from the following events:

- The two Prep meets (TJ's and Warwick)
- The SQ SC Prep meet
- Other meets that have been swum since the end of the 2019/2020 season may be taken into consideration with advice from a swimmer's current coach- All meet results from July 2020 will be taken into consideration; however the later meets will have a major bearing.

Development Report 2019-2020 SEASON

DDRSA Overview of Swimming Queensland Development Activities

Barry Prime is the Development Coach employed by Swimming Queensland to help Darling Downs with their development of Coach's, Swimmers and clubs. Barry continued his role with us until this season and took part in several clinics across the DDRSA region. He travelled to various club and ran small clinics to help develop the swimmers on the DDRSA. However due to financial restraints the DDRSA had to make the difficult decision to withdraw the funding for Barry Prime. This meant that Barry would not be available to help with the running of any new clinics within this region from January 2020

During this time, Barry Prime spent 32 days in the Darling Downs attending either Club Program Visits (19), Performing or Directing Clinics (12), Attending Competitions (3), Annual Presentation Evening (1), Toowoomba Coaches Meeting (1), Direct interaction face to face with 26 coaches and Direct Emails to Regional Coaches on Swimming Clinics & Coaching Information (18).

- i) 19 Program/Club Visits
- ii) 12 Swimming Clinics with 248 swimmers and 20 coaches involved
- iii) 3 Competitions in Goondiwindi (260), Charleville (60), and Chinchilla (65)
- iv) 1 Annual Presentation
- v) 1 Toowoomba Coaches Meeting
- vi) In all I have had face to face contact and interaction with 26 DDRSA Coaches during 2019.
- vii) 18 Coach Education Emails on Swimming Clinics have also been sent to all coaches within the DDRSA who I have on my list. Other emails have also been sent to other specific coaches depending on their requirements.

Final Official Commitment

Following the DDRSA decision to withdraw from this program Barry Prime final commitment with the DDRSA was the Toowoomba Coaches 200m Freestyle Clinic on Wednesday 22 January 2020.

Outstanding Unofficial Commitments Planned

However Barry Prime was able to carry out the following two clinics that were planned below in an unofficial capacity.

- ii) Highfields Clinic with Julie Elliott and Hayley Wolf 2 hr Clinic on Tuesday 14 January 2020.
- iii) Charleville Cluster of Clubs Fundamental Swimming Skills Clinic on Sunday 2 February 2020.

The 2019-2020 season has again been a busy one for the DDRSA.

Bio Island JX Clinic on Saturday 26 October at Fairholme

This clinic saw a lot of new faces attending The JX clinic was again very successful with coaches from different country club and Toowoomba clubs assisting Barry Prime from Swimming Queensland to put on a well worth information session and skills session for our swimmers. It was followed up by the Time and Technique meet run by Fairholme which allowed a lot of the swimmer who attended the clinic to practice what they had just been taught. The senior clinic didn't go ahead this year as many of these swimmers were away at carnivals.

I would like to thank Gail Smail and Garry Shorter especially for their continued support of these clinics and giving up their time to help out.

Country Championships Development Clinic at Dalby 19/01/20

On Sunday following the Country Championships Garry Shorter and Troy Chandler held a clinic for the swimmers. The DDRSA wishes to thank the coaches of the region for providing their professional expertise on the day of the clinic: This was the first clinic undertaken without the support from Swimming Queensland for some years due to Swimming Queensland no longer been involved with development in this region

The DDRSA appreciates this support from this regions coaches, for without this time and expertise freely given the DDRSA could not hold Development Clinic activities such as this. The weather was kind to them and from all reports the swimmers who attended the clinic enjoyed the morning session.

The DDRSA also wishes to thank McDonalds, Dalby Swim Club and Dalby Pool Management for their support of this clinic

Technical Committee Report 2019/20

Another season of swimming has passed. As Chairman of the Technical Committee for the Darling Downs Regional Swimming Association, I would like to express my sincere thanks to everyone who has volunteered their time to the swimming community. It was great to see another increase of pool deck officials furthering their qualifications. The volunteers make the running of every swim meet achievable and successful. Without the volunteers whether it is timekeeping, marshalling, check starting or as a Technical Official, any swim meet cannot run smoothly. I truly hope that the Darling Downs Region continues to have success and grow with our continued dedication to the sport of swimming.

I would like to congratulate those officials who attended the following National and State events:

World Championship Trials – Garry Gibson

Queensland State Championships – Garry Gibson, Shannon Armbruster, Bianca Delaforce

Queensland Short Course Championships – Garry Gibson, Shannon Armbruster, Bianca Delaforce

Queensland Sprint Championships – Garry Gibson, Shannon Armbruster, Bianca Delaforce, Michael Crook

Please keep up the good work as an official and encourage others to join our ranks as we have the best seat in the house to watch the swimming from a local junior to a world champion.

The DDRSA has allocated dates and approved the above dates for club swim meets.

It is important to reiterate that the above proposed dates are subject to restrictions being favourable to allow them to proceed.

It is up to the host club and the Pool Lessee/ Council to finalise the details in hosting the meet or not to host the meet UNDER COVID -19 Safe procedures

SQ has up to date on what is required to host a meet.

NOTES –

- Due to the lack of Technical Officials the DDRSA will not approve more than one Qualifying meet per club (Due to historical reasons exemption will apply for the Gatton Club)
- Development meets are highlighted - These meets will be designed around the development of swimmers to take the next step from club
- All Transition and Preparation meets will be require to use marshalling sheets Also Self Marshalling is to be introduced
- All Transition and Preparation meets will be require to provide a timeline which will have to be provided to the DDRSA the Monday before the meet

Self Marshaling For your information TBC

Some clubs are doing this on club nights and the expectations on DDRSA part is to use this system up to the 4th October

Then have a review by the Technical Subcommittee.

Marshaling

All Swimming club level swim meets will be self-marshaling.

Operation of Lane Chief:

The club will provide 1 x Lane Chief per lane of the competition pool

The role of the Lane Chief will be to assemble swimmers within their lane and ensure the integrity of the order of the event and heat and swimmer name. Lane Chief will ask "Swimmer, please let me know your full name." The Lane Chief will compare the name given to the name listed in the program.

If there is no swimmer for a particular heat in the lane assigned to the Lane Chief, yet a swimmer is noted in the program, the Lane Chief will mark the swimmer as a "DNR" (did not race) in the program for that heat in that lane. No further action needs to be taken.

Where the name of a swimmer does not match that listed in the program the Lane Chief will alert the closest Chief Timekeeper (1 or 2) of the issue and the Chief Timekeeper will alert the Referee.

If a swimmer appears at a lane and has missed their heat it is the responsibility of the Lane Chief to make the swimmer aware to the Chief Timekeeper who will then alert the Referee of a missed swim.

The Referee is responsible for all confirmations of any changes required to the Control Room.

Multiple swimmers may report to the lane at the same time and it is the responsibility of the Lane Chief to ensure the order of the swimmers matches the flow of the program events and heats.

The Lane Chief will be differentiated by other officials/timekeepers at the end of the pool by a coloured clipboard and a coloured vest.

The Lane Chief also assumes the role of the third timekeeper and is joined by 2 other timekeepers in their lane to ensure 3 times are obtained for a swimmer for qualification purposes. The Lane Chief will not hold the manual stop watch. One of the other timekeepers will assume the responsibility of the manual stop watch and writing the manual time on the program. Where the pool uses touchpads for timing, only one time keeper and one lane chief is required.

Two programs of the event need to be allocated to each lane. One for the recording by the Lane Chief and one for the 2 x timekeepers recording the manual time.

Operation of Chief Timekeeper:

The club will provide a Chief Timekeeper (2 x where the session contains 50mtr events).

The Chief Timekeeper will report to the Referee any anomalies to the swimmer order against the flow of the program event and heats except in the case of a “DNR”.

The Chief Timekeeper will await the direction of the Referee before any changes in resolving the anomaly.

The Chief Timekeeper is responsible for the normal duties of a chief timekeeper together with the above.

The Chief Timekeeper will ensure the education of timekeepers and ensure no changeover of timekeepers during heat swims. Changeovers of timekeepers are only to occur at the end of sessions or change of events as scheduled in the program.

The Chief Timekeeper will be differentiated by other officials/timekeepers at the end of the pool by a coloured clipboard and a coloured vest.

Positive Check-In: TBC

Positive Check-In is the responsibility of the swimmer prior to the beginning of each session.

Should an announcement calling for swimmer Positive Check-In be made it is the swimmers responsibility to follow the announced procedure for the Positive Check In process.

An online Positive Check In system has been sourced to streamline the process. PositiveCheckin.com is a US company providing a real time check-in system for many sporting organisations globally. Swimmers are able to register in PositiveCheckin.com now in preparation for our first self marshalling event in 2020. The region will be in contact with host clubs to organise their initial subscription.

Announcing:

At the start of a new event the starter will announce the “Event Number and Name” and then proceed to announce the “Heat Number” prior to the start of each heat in that event.

While the swimmers are in the water the Announcer will announce the event and heat that is currently swimming and announce what event/heat should be on pool deck.
